Join SEIU Local 509 for a Candlelight Vigil honoring the life of Stephanie Moulton, a human service worker who lost her life while providing care last January. The vigil marks Stephanie's birthday and the one year anniversary of her death. We join Stephanie's mother, Kim Flynn, family members and friends, human service workers, and peer advocates to call on the Commonwealth of Massachusetts to adopt statewide safety protocols.

Sponsored by: Stephanie's Family and Friends, SEIU Local 509, MassCOSH, and NASW, and other organizations to be announced.
