

OSHA 10-Hour Construction Safety & Health Outreach Course in ENGLISH & SPANISH

Sponsored by:
MassCOSH

a non profit organization dedicated to
worker safety.

Construction Safety Project

DATES AND TIMES TO BE
ARRANGED
(Must attend
Both Days of 2-day course)

- Are you being left behind because you don't have an OSHA-10 card?
- Do you or your co-workers work in unsafe conditions?
- Do you want to learn about construction safety in your own language and in the safety of your peers

If you answer "yes" to any of these questions, sign up for this OSHA 10-hour Construction Safety Training.

Cost: \$185/person (partial scholarships available)
Worker Center members: \$150/person

**Cost includes course, materials,
lunch/light supper and coffee**

**Location: MassCOSH, 1532B Dorchester Ave.,
Dorchester (other locations possible)**

This course will provide you with:

- **Essential training in construction safety**
- **Information on how to identify and take action to eliminate common construction dangers**
- **An OSHA 10-hour construction outreach card, critical for job opportunities.**

Without an OSHA 10-hr card, you cannot work on most state-funded construction sites.

To register, or for questions, call Rick Rabin 617-825-7233 x21

Partially funded by a grant from the National Institute on Environmental Health Sciences-Grant
